Enjoy a delightful day visiting Saint Jean Cap Ferrat and Eze, two of the loveliest towns along the Riviera. Begin with a scenic from Monaco along the Lower Corniche through the picturesque Mediterranean countryside and the contrasting views of rocky cliffs and the sea.

Your first stop will be tranquil Saint Jean Cap Ferrat, a rugged promontory boasting many palatial villas where you will visit the superb Villa Ile de France and its wonderful gardens. Inspired by the great Renaissance residences of Venice and Florence the villa was the home of the Baroness Béatrice Ephrussi de Rothschild. It houses a priceless collection that she assembled throughout her life and includes exceptional porcelains, furniture, carpets, tapestries and canvases displayed in what had been her apartments. After your guided visit of the house take time to stroll through the exquisite gardens her travels inspired her to create. Delight in the French, Spanish, Florentine and Japanese gardens before having a light lunch in the tearoom.

After lunch drive up to charming Eze where you will have some time to meander through the cobblestone streets, marvel at the shady squares, beautifully restored houses and ancient fountains. Or browse in the small boutiques and shop for souvenirs. Then relax during the drive back to Monte Carlo where you may return directly to the ship or choose to stay in town and shop, making your way back to the ship on your own.
